Dear Parent/Caregiver,

We are delighted that your child has expressed an interest in joining the Gerringong Primary School (GPS) choir this year. Choir is a very rewarding experience.

This note is to explain the commitment involved in being part of our school choir. Almost all choir practises are completed at school and in school time. We do have at least two out of school performances and one out of school rehearsal. We shall visit Mayflower Retirement Village and be participating in Southern Illawarra Music Festival (SIMF) which is normally in mid-August. The SIMF concert involves a full day of rehearsal and then an evening performance. Children are taken by bus to the venue for the day rehearsal, but shall need transportation by parents/caregivers for the night performance.

If your child elects to join choir, he/she is joining a team. If any of the team is absent it is hard for the team to function well. So, we would like you to discuss this with your child and both sign below to confirm your child’s commitment. This is also a permission note so that you are aware your child shall be joining the school choir.

I am confident that this will be a fun experience for all and I look forward to having your son or daughter in choir.

Sue-ellen Hassler
